

FIFTH ANNUAL

WE RUN ON

EOS® NORTH TEXAS

2026

ATTENDEE WORKBOOK

Monday, September 14, 2026

The Statler Dallas

1914 Commerce Street, Dallas, TX 75201

Welcome

Welcome to the fifth annual We Run on EOS® North Texas. Today we come together as an EOS community — entrepreneurs, leadership teams, and the certified Implementers who serve them — to sharpen our tools, share what's working, and get better at running our businesses.

If you're running on EOS, this day is designed to make you stronger. World-class speakers. Practical workshops. Books you can actually use on Monday morning. And a room full of North Texas leaders who are on the same journey.

If you're just getting started, welcome. You picked a great day to see what happens when a whole community rallies around one operating system. Ask questions. Take notes. Introduce yourself to the person next to you.

A few suggestions to make the most of the day:

- Use this workbook. Every session has space for the ideas that hit you hardest.
- Talk to the sponsors. They're here because they believe in EOS and want to help you win.
- Introduce yourself to at least three people you don't know. Business is a team sport.
- Come back at 6:15 for Happy Hour. Some of the best conversations of the day happen there.

Here's to a great day — stronger teams, healthier companies, and clearer visions.

Let's get to work.

— *The North Texas EOS Community*
